# Open House Information

We will conduct our virtual Open House on Thursday, August 13, 2020

Students will attend Zoom sessions with their teachers based on the following schedule and their last name. Links for each meeting will be posted on the website on Thursday afternoon.

Due to the limited amount of time and the number of meetings, these sessions will be for teachers to provide information to our students and parents.

There will be a link posted on the website for parents to submit questions about BMS. Our school administrators will compile all of the questions and put out a FAQ response page on our website.
