

SOUTHERN ALAMANCE HIGH SCHOOL 2018-19 SCHOOL IMPROVEMENT PLAN

Vision:

When we are successful, all students will have earned the right to graduate by taking responsibility for their education as they transition into an ever-changing world.

Mission:

SAHS provides an engaging learning environment with an emphasis on respect, fairness and dignity to produce successful lifelong learners and contributing members of the global community.

GOAL ONE

Thirty-nine percent of the students surveyed with Panorama in the fall of 2018 reported that they felt a sense of belonging. By June of 2019, 50% of all students will feel that they belong at SAHS.

Action Step

Monday's homeroom focus is on intentionally sharing good news and building positive relationships/connections with students via informal, but well-planned class discussions.

Data Set Used to Measure: Panorama

Action Step

Friday's homeroom focus is on health and safety tips. The purpose is to promote healthy social and emotional interactions and activities.
