

Excerpts from Western Middle School students' thank you letters

"I really learned a lot about the technical career path and have a good idea about CTEC and what it offers. Thanks a lot for allowing me to tour."

"It was amazing and fun touring CTEC. I look forward to going there when I finish middle school."

"...your classes sounded very interesting and fun. Your staff were very kind and generous for taking out their time for us."

"Thank you for letting us come up and showing us about the courses, and giving us a head start about college."

"CTEC seems like an amazing place with great activities and teachers."

"Thank you for taking your time to let us visit...I think I am going to sign up."

"I saw a lot of classes I would enjoy taking when I get to 9<sup>th</sup> grade."
