

This is an important message for ABSS parents and guardians as we get ready to kick off a new school year.

Please use the PowerSchool Parent Portal to complete Back to School forms for the 2021-22 school year prior to August 15th.

Updating information ensures we prepare appropriately to provide support for your student.

Forms are grade-specific and you may not see the same forms for different students.

If you have questions about how to update your student's information please follow the steps on the attached document.

If you still have trouble, reach out to your school and they will have someone assist you.

School offices are open Monday through Thursday during the summer.

Thank you for taking a few minutes to make sure that we have the most accurate information about your student.

We look forward to working with you and your family this school year. Thank you.
