These notes should be given to the teacher **within 3 days of the absence or it will be unexcused.** All trips must be **pre-approved** by Mrs. Royal. Verification of learning through an educational journal is to be submitted to Mrs. Royal for final approval within the week of the student's return to school.

All students are responsible for work missed due to absences. Teachers will assist students by giving assignments, explanations, and timeline for completion. If you wish to pick up assignments for your child, call the school and arrange for assignments to be picked up after school hours. We wish to maintain an uninterrupted learning process for our students.

### **Early Check Out**

If you need to check out your child early, please send a note to your child's teacher indicating the reason for the planned early departure. A parent/guardian must come into the school to sign out a student. Students will be called to the office only after the parent/guardian has arrived. We are unable to accept phone calls requesting the student be present upon parent arrival. When scheduling appointments for your child/children, please be sure to take this into consideration as well as any testing or special activities that may be occurring on that day. **Doctor and dentist notes must be provided upon return to school in order for the early departure to be coded as an excused tardy.**

All students leaving early should be checked out from the office **prior to 2:20. If you are picking up your child after 2:20, you will have to wait in the car rider line for your child.**

If your child becomes ill at school, we will contact you immediately. If we cannot reach you, we will use the emergency contact number you have provided us. Please keep the school informed of your current home and work telephone numbers, present address, and current emergency phone numbers. In the event of sickness or an emergency, we must have this information to reach someone. We cannot keep sick children at school. Please do not send children to school who have been

## **BEHAVIOR EXPECTATIONS**

All adults share responsibility for every child's behavioral and academic success. High standards are expected from everyone involved in the education of our children. Students, parents/guardians, and staff will model and teach respect for self, others, and our school environment. No one will be allowed to disrupt the educational process.

The school year will begin by teaching all students our school wide behavioral expectations and the self-regulation strategies needed in order to maintain a safe and productive learning environment. South Mebane is a Leader In S"ME" and Positive Behavior Intervention Support (PBIS) school, therefore the behavior clip chart will no longer be utilized. We will teach all students the 7 Habits of Happy Kids and the Zones of Regulation, coupled with our Behavior Matrix in order to equip our students with the skills and strategies to regulate and be leaders of their own behaviors. These resources can be found on the following pages.

### **Bully Free Pledge**

At the beginning of each school year, staff and students will be asked to pledge to be bully-free and to support a bully-free school zone. Signed copies of the pledge will be kept on file.

## DRESS CODE

The appearance of any young person is primarily the responsibility of that individual and his/her parents. Each student is expected to maintain an appearance that is neither distracting to other students nor disruptive to the educational environment and healthy climate of the schools.

Headwear: No hats, bandannas or other types of headgear or sunglasses may be worn in the building.

Clothing: Student dress and grooming should meet minimum standards of hygiene and be presentable for the educational environment. No clothing may be worn which is provocative, revealing, profane, vulgar or obscene; which endangers the health or safety of the student or others; or which might reasonably be expected to cause substantial disruption or material interference with school activities.

Examples of prohibited dress or appearance include, but are not limited to, exposed undergarments; sagging pants; excessively short or tight garments; bare midriff shirts; strapless shirts; attire with messages or illustrations that are lewd, indecent or vulgar or that advertise any kind of product or service not permitted by law to minors; see through clothing; attire that exposes cleavage; any adornment such as chains or spikes that could reasonably be perceived as a weapon; and any symbols, styles or attire associated with intimidation, violence, or violent groups about which students at a particular school have been notified.

Reasonable accommodations shall be made on the basis of religious beliefs or medical conditions.

Thanks for your cooperation in enforcing and for also following our dress code when you visit our campus. With your support we will be

better equipped to insure a safe, respectful, and focused learning environment.

## FOOD AND NUTRITION

### Cafeteria

Breakfast is served daily from 7:20 to 7:45 and costs \$1.50. Lunch is \$2.60 per day. All students may bring money for the entire week, month, or year to deposit into their accounts. Please put money in an envelope with the child's name on the outside. Checks should be made payable to South Mebane Cafeteria. Students' lunch account numbers are the same as their Powerschool numbers. Balances remaining in your child's account at the end of each school year will roll over into the next school year.

Menus are provided monthly to our students. Parents can help us by going over the menu and helping your child make his/her lunch choices. Remember, your best option for a balanced meal at the lowest cost is the regular plate. If you plan to eat lunch with your child, please send a note to your child's teacher indicating your intentions and your desired lunch choice. This will assist us in preparing the correct number of portions so that we do not run out of food for our last classes. For safety reasons lunch times will not be shared over the telephone. **Food brought in from restaurants is not permitted. Parents or visitors eating with students should plan to purchase food from the cafeteria.**

### Healthy Snacks and Parties

To assist in establishing healthy eating habits among our students we only allow healthy snacks for the **optional** daily snack time. Healthy snacks include, but are not limited to carrots, grapes, apple slices, orange slices, bananas, peanuts, butter free popcorn, yogurts, and raisins. Unhealthy snacks such as chips, cupcakes, and chocolates are not permitted.

In order to protect the instructional day, **birthday parties are not permitted at school. Birthdays will be recognized, but parties and cakes/cupcakes are not allowed.** Teachers will be allowed to host holiday parties that have an instructional purpose and are aligned to curriculum objectives.

## **GRADING**

Report cards are issued four (4) times a year. Report cards will be distributed: in November during Face-to-Face conferences, January 25, April 5, and June 11. Progress reports will also be sent mid-way through each grading period.

Please keep in mind that some standards are just being introduced during the first semester. Students may not reach proficiency until later in the school year.

### **K-5 Academic Grading Scale**

3 = Consistently demonstrates mastery of the standards.

2 = Sometimes demonstrates mastery of the standards with support.

1 = Seldom demonstrates mastery of the standards.

### **Conferences**

Teacher-Parent conferences are required during the first nine weeks of school. Additional conferences may be scheduled throughout the year.

### **Homework**

Homework is an important element in the instructional program. Students should treat homework as important and should follow the teacher's guidelines and expectations.

### **North Carolina Student Accountability**

The North Carolina Student Accountability Program requires that students in grades 3-5 be administered the End of Grade tests in reading and math. Grade 5 students are also required to take an End of Grade Science test. In addition, the Student Accountability Program requires elementary schools to have a plan in place to insure that all students are reading on grade level when they exit second grade. In order to insure that all students are prepared for the End Of Grade testing years and are reading on grade level as K-2 students, South Mebane utilizes North Carolina's ***Multi-Tiered System of Support***.

### **Multi-Tiered Sytem of Support**

North Carolina's ***Multi-Tiered System of Support(MTSS)***, previously referred to as ***Response to Intervention***, is designed to match a child's learning needs with research-based instructional practices. If a child is not making progress through Core instructional practices, then a Supplemental Tier 2 Plan is developed. If the child does not meet the goals established at Tier 2 and the child continues to perform below the 15<sup>th</sup> percentile on national norms, a more Intensive Tier 3 Plan is developed. The child's progress is then monitored by the Tier 3 ***MTSS*** Team. In order to ensure success and to facilitate a team approach, the parents are involved at each Tier level.

## **TECHNOLOGY DEVICES**

In order to limit disruptions to the learning environment, the following personal technology devices are not allowed at school unless otherwise noted for special occasions:

- Cell Phones
- Smart Watches
- Hand Held Gaming Devices
- Tablets
- Computers

If a student brings any of the above mentioned devices to school, the device will be taken by administration. Parents will be contacted to retrieve the device from the office.

The principal or her designee shall contact the parent or guardian to pick up the student(s) at school.

Should a parent/guardian not be able to be present at the bus stop the parent/guardian must notify the school before the afternoon bus dismissal time and make the necessary timely transportation arrangements for their child/children.

## **VISITORS AND VOLUNTEERS**

We appreciate your interest in our school and your desire to visit and volunteer. To ensure the safety of our students and staff our building is securely locked throughout the school day. Upon arrival at the front entrance of the school you will utilize a call button to obtain entry into the building. Once inside, you are required to sign in to receive your visitor badge. You should wear the badge at all times during your time on our campus. Upon completion of your visit, sign out in the office. This record of your visit will provide data for annual state reports.

To protect each child's privacy, classroom observations are not permitted. Parents who complete and pass the ABSS background check can serve as volunteers. You may submit your online request for a background check via *SecureVolunteer*. The link is posted on the SME webpage. Once approved, volunteer opportunities can be arranged through your child's teacher.

Hearing, dental and vision screenings are conducted by trained and certified staff members. Blood pressure screening and Body Mass Index (BMI) may be conducted for special populations in the schools. Parents, legal guardians, and/or school staff may request a screening at any time. The screenings are performed at selected grade levels and parent/ guardians may contact their child's school for specific

Information about Human Papillomavirus(HPV) and the HPV vaccine will also be provided. This vaccine is available for females and may prevent certain diseases and cancers. Information on the diseases and their vaccines can be found at: [www.cdc.gov](http://www.cdc.gov), [www.immunizenc.com](http://www.immunizenc.com) , [www.acha.com](http://www.acha.com) , or [www.immunizationinfo.org](http://www.immunizationinfo.org)
