

SCHOOL LUNCH PROGRAM

Available to all students enrolled in Alamance-Burlington Schools.

National School Lunch Program Begins September 1, 2020

Current grab and go meals and bus stop delivery will end on August 31. The waiver from the United States Department of Agriculture for the spring and summer was not renewed at the national level. Alamance-Burlington Schools must follow federal guidelines, beginning on September 1, mandated for the National School Lunch Program.

Beginning September 1, the National School Lunch program will only be available to currently enrolled ABSS students, grades Pre-K through 12.

- Students will need to know their PowerSchool student ID number OR give their full name (as listed in PowerSchool).
- Each student may only pick up one lunch and one breakfast per day.

School Lunch Pick-Up

Meals will be available only for ABSS students at the sites listed below from 11:00am to 1:00pm, Monday-Friday.

Andrews Elementary School*
Broadview Middle School
Cummings High School
Eastlawn Elementary School
Graham High School
Haw River Elementary School
Hawfields Middle School/Garrett Elementary School
Hillcrest Elementary School
Newlin Elementary School
Pleasant Grove Elementary School*
South Graham Elementary School
Walter Williams High School

* A bus will be parked at these school sites

Please note five additional schools are listed as bus stops that will serve meals at specified times on the Community Bus Stop List below.

Community Bus Stop Pick Up

Unlike during the Bus Stop Grab and Go Program, beginning September 1, buses will not be able to stop for deliveries in the roadway. The bus will stop only at designated community locations on the route (see the list below). Buses will park with the passenger stop system engaged. There will be a table set up at the entrance of the bus where each ABSS student will pickup his/her meals and provide name and/or student ID number to a Child Nutrition cashier.

Students will not board the bus. Each ABSS student can pick up one lunch and one breakfast for the following day.

Consent Form

If students are not with their parent/guardian during the day, and still want to pick up a meal, there must be a consent form on file for the adult (non guardian) to pick up meals on the student's behalf.

This form only needs to be completed one time and will remain on file with the Department of School Nutrition.

The authorized adult will be responsible for providing the completed consent form at the time of the first meal pick-up.

Reminders

As a reminder, on school property and for the safety of our employees and community, everyone should wear a mask and practice social distancing, while picking up their meals. These protocols should be followed at our school sites and at all bus stops.

Similar to the grab and go meal program, we will not be able to provide daily menus ahead of daily pick-up.

Plans are in process to include Virtual Learning Centers/Daycares that are hosting 20 or more enrolled ABSS students (Pre-K through 12th Grade). For more information about having your center included, please contact Pam Bailey, Director of School Nutrition, at pamela_bailey@abss.k12.nc.us or 336-438-4000 ext. 20061
