

REGISTRATION FAIR 2021

PATHWAYS TO SUCCESS

ALAMANCE BURLINGTON SCHOOL SYSTEM

Parents and students are invited to attend the Virtual Registration Fairs to visit with counselors, teachers, and administrators at their assigned ABSS High School to learn about the options each student has when registering for classes for the 2021 - 2022 school year. Presenters from CTEC, ACC for Dual Credit, the AIMS (Advanced Integrated Math Science) Academy and Public Safety Academy (Fire/EMT) from Graham High School will be present to speak and share information as well. Check out the school's website for their links to join the fair. Help your child be prepared when registering for classes for the upcoming school year.
