

Alamance-Burlington School Success '21

 ONE ABSS

Ray Street Academy

For those families that have chosen for students to return to school buildings for in-person learning, please review the following information.

New Protocols

As we return to our school buildings, ABSS has implemented many safety protocols [outlined by NC Department of Health and Human Services](#), to maintain the health and well-being of staff and students during this time. A detailed list of protocols is available on the [ABSS website](#) and a few of the important updates are [highlighted in this video](#).

Al igual que cualquier escuela, nosotros queremos que su hijo(a) esté seguro, saludable y listo para aprender. Esta guía contiene información importante para maximizar un ambiente seguro y saludable para todos los estudiantes y el personal. A pesar de todos los retos que enfrentamos durante esta pandemia, esperamos trabajar con usted para terminar el año con una nota positiva.

The district has pulled together [frequently asked questions and answers](#) for your review, but please feel free to reach out to the school with any questions.

Cleaning

The district works with the Budd Group to provide cleaning technicians at every school. These employees are dedicated to cleaning high touch surfaces throughout the school day. Additionally, the Budd Group completes cleaning in the evenings, after students and staff leave for the day.

Face Coverings

While on school property, inside or outside, students (aged 5 and up) and all adults will be required to wear cloth face coverings over their nose and mouth. Throughout the day, students will have opportunities to remove their cloth face coverings, when eating breakfast and lunch. Students will also wear masks during PE and recess. Students are not permitted to wear bandanas, neck gaiter, or head wrap as a face covering. Only proper cloth or disposable face masks may be worn. The district has delivered extra face coverings to each school for students and staff who may be in need.

Please begin working with your students on wearing face coverings at home so that they are ready when they return to the school building.

Meals

Meals will be pre-packaged and delivered to the classrooms for students to eat. Students may still bring their own lunch to school if they wish. However, there will be no microwave access to heat lunches. At this time, all school meals are free.

The district will provide two bottles of water per day for each student. Water fountains will not be in use throughout the day.

Los estudiantes comeran en su salón de clase. Se les permitira remover la mascarilla mientras comen. Una vez que hayan terminado, se pondran la mascarilla en la cara para socializar con sus compañeros mientras mantienen la distancia social dentro del salón de clase.

Wait and Wash

Social distancing is a key component of returning to school safely. Social distancing (“physical distancing”) means keeping space between yourself and other people outside of your home.

In common areas around the buildings, there will be clearly marked areas to remind everyone to remain socially distanced, 6 feet apart.

In addition to social distancing, students will be encouraged to wash their hands frequently with soap and water, or hand sanitizer as much as possible.

Habra señalamientos mostrando la direccion del tráfico por los pasillos. En los baños solamente se permitira un alumno a la vez.

Health Screenings

Students and staff returning to school buildings will be required to have an annual attestation form on file. Parents/Guardians can complete this form online for each student returning to campus. [Please use this link to complete the form.](#) Families should not send students to school if they are exhibiting signs of COVID-19. If students have a temperature above 100.4, they will have to return home with their parent or guardians.

Everyone will have their temperature taken before entering the building. If the student passes the health screening process, they will receive a wristband which allows staff to easily identify that they have been screened and can proceed into the building.

Car Riders will remain in the car during the screening process. The parent/guardian will help the student answer the screening questions and the student will have their temperature taken. Once the student passes the screening, they will receive their wristband. **Los estudiantes procederan a la cafetería y el personal estara ahí para revisarlos y recoger sus celulares. En este momento estamos suspendiendo los requisitos SMOD. Nos estamos adhiriendo al código de vestir para los estudiantes de ABSS con excepción de las sudaderas con gorro/capucha. Todavía no se permite el uso de gorros /capuchas en Ray Street. Todos los estudiantes (incluidos los que viajan en automóvil) serán dejados y recogidos en el estacionamiento del autobús. Los pasajeros en automóvil no serán recogidos en el frente de la escuela por el resto de este año escolar.**

Bus riders will be socially distanced on the bus, only one student per seat unless they are siblings. Everyone must wear a mask while riding any school transportation. Bus riders will complete the health screening when they reach school **dentro de la cafetería.**

Los estudiantes que manejan se estacionaran en un espacio asignado y entrarán por la cafetería para ser examinados.

COVID-19 Symptoms

If a student shows symptoms of COVID-19 during the school day, they will be sent to an isolation room and Parent/Guardians are called to pick up their student immediately. If the parent/guardian consents, the school nurse can complete a COVID-19 rapid test. This test will provide results within 15 minutes. The school nurse will be in full Personal Protective Equipment (PPE).

Communications

The district has a communication guide that has helpful information about if/when families will be notified if there is a COVID-19 case at school. Additionally, the district shares data in a dashboard updated weekly. You can review the [communication guide and dashboard here](#).

Los padres pueden mandar correo electronica a los maestros directamente. Todos las direcciones de correos electronicos están en la página web de Ray Street. LOs padres también llamar a la escuela al 336-570-6644

Classrooms

Students will transition with their classes and cohorts and classrooms will be set-up to help students engage with their teacher and classmates while following social distancing protocols.

Los estudiantes deben mantener una distancia de 6 pies en los pasillos como lo indican las marcas del piso. Deben usar una máscara en todo momento.

Cada salón de clases tendrá una tabla de asientos. Todos los escritorios de los estudiantes se limpiarán entre clases usando el agente de limpieza aprobado.

Weekly Schedule

Our school will follow a cohort model beginning **8 de marzo**.

El aprendizaje en persona para los estudiantes cuyo apellido comienza con A-L asistirá físicamente los lunes y martes y asistirá de forma remota los miércoles, jueves y viernes.

El aprendizaje en persona para los estudiantes cuyo apellido comienza con M-Z será remoto los lunes, martes y miércoles y asistirá en persona los jueves y viernes.

Los estudiantes pueden llegar entre las 9:30 am y las 10:00 am. El primer período comenzará a las 10:00 am.

Los pasajeros en automóvil deberán ser recogidos a las 4:15 pm en el estacionamiento del autobús. Los pasajeros en automóvil no deben ser recogidos en el frente de la escuela por el resto del año escolar.

Success '21

Health and safety are important to us as we look forward to returning to the school buildings. In order to be successful, we will need everyone to take part. Wear your face covering. Wait 6 feet apart. Wash your hands. Begin working with your students and talking about the importance of the 3 Ws. We are excited to welcome everyone back!
