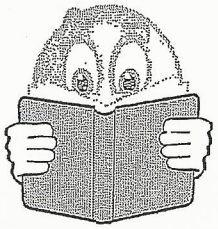
Name _____



Battle of the Books

(Complete one of these sheets for each book you read.)

Title: _____

Author: _____

1) List all of the main or important characters, and tell at least 2 character traits or other important information about each character.

2) Describe the main setting of the book (where and when the story takes place).

3) Write a **minimum** of six good questions about the book. Make sure you do not include characters' names and that the answers to the questions aren't too obvious. **Next to each question, write the page number where the answer can be found.** Each question must start with "In which book....."

Ex: In which book did a character use a yellow scarf to scare off a bear? pg.49

Use the back of this sheet to write your questions.
