Do you know a student who fits into the following categories?

- Adapts to rigorous course load, including AP and college courses.
- Concerned with the community around them.
- Involved in and outside of school.
- Organized and keeps up with their assignments.
- Can juggle multiple high level courses at one time.
- Benefits from matriculating with a cohort throughout high school.
- Engages with the teacher and students in class.
- Participates in extra-curricular activities.
- Would benefit from a traditional high school setting.

**The Pre-Collegiate
Academy may be the
best choice for them!**
