# Safety Procedures at SGE

---

- Currently, no one is allowed into the school. If a parent needs to come pick up or drop off something, ring the doorbell and someone from the office will come to assist you.
- All staff that report to the school have to have their temperatures taken, answer a wellness survey and receive a bracelet that shows they have been screened.
- There are decals and hand sanitizer stations in the halls and in the classrooms.
- Social distancing is required where we have virtual meetings and no more than 10 people meeting face to face wearing masks.

# Returning Student Registration

---

- All returning students have to fill out the returning student registration online.
- The original emails with the access codes went into everyone's spam folder.
- Call Ashley Pawson if assistance is needed to complete this registration.
- If you need to come to the school to complete the registration, please call for an appointment. Only the parent can come to fill out the registration out in our foyer.
