

Dragon Days

May 2021

From The Dragon's Den

The final weeks of school are now upon us and the countdown has begun for summer vacation. The closing of this school year will serve as a celebration for the numerous successes we have experienced during this year of virtual and blended teaching and learning. I extend my heartfelt appreciation and admiration to the teachers, students, and parents for your resilience and adaptability as we have adjusted to so many changes. Despite the challenges, it was indeed another wonderful year of love, laughter, learning, and leading at SME and one that has brought much joy to my heart as I bring my career as an educator to a close. Thank you for loving and supporting me throughout my years here! My life has been deeply blessed by my relationships with your children and you, my SME families! I love you dearly!

With Much Love and Appreciation,

Rebecca Royal

ABSS will be providing Summer School for K-5 students who are eligible to attend. Eligibility is determined by students current literacy and math performance and by their MTSS Tier 2 or 3 status. If your child is eligible to attend Summer School you will be receiving information from your child's teacher during the first week of May. Please return the registration form by May 14th. Highlights regarding the summer program are noted below. More detailed information will be outlined within the letter you will receive. If you do not receive the letter, but feel your child should qualify don't hesitate to reach out to me.
