

Dragon Days

March 2021

From The Dragon's Den

Yes, this time we are really shifting to Plan B and reopening our doors for our Face to Face students on March 1! With the shift to Plan B, comes changes to your child's daily schedule. The teachers have diligently been at work to craft schedules to address the specific needs of their students within the constructs of the Plan B-Cohort Model. Please make sure you have carefully reviewed the specific schedule for your child that has been shared with you by your child's teacher. Communication will be critical to the success of Plan B. Continue to check Class Dojo and your email for ongoing updates as we work through any challenges Plan B may present. Also, do not hesitate to reach out to me with any clarifying questions you may have so I can support you and your family in having a smooth transition. Our top priority is the safety and well being of our students, staff, and families. **Together**, we will continue to successfully "construct leaders" in the midst of this pandemic because we are #smestrong!
