

Dragon Days

May 2020

From THE Dragon's Den

Our hearts continue to ache with the news that we will not be returning to SME for this school year. While this is not how we wanted the year to come to a close, our Leadership Team has devised a plan to support our continued partnership in "At Home Teaching and Learning" and to help bring a sense of closure as we approach June 10th. I have bulleted the plan below and you will receive connect-ed calls and emails as these dates approach us. Please notify the school office if you are not receiving these important calls, emails, and mailings so we can update your contact information.

*We will mail the learning packets for Weeks 9, 10, and 11 of "At Home Teaching and Learning". While following the same structure of previous packets, these will be streamlined for mailing.

*Completed work packets for weeks 4-8 and library books will be collected through the car rider line during the week of May 18 from 2:00-6:00. See specific dates below based on your last name.

*Fundraiser money will be collected and items sold will be given to you at our cafeteria parking lot on the same day you drop off your child's completed packets and library books.

*Pick up of class items will occur at the end of the year on the dates indicated below.

June 8 K/1 Pick Up from their teachers

June 9 2/3 Pick Up from their teachers

June 10 4/5 Pick Up from their teachers

Important May Dates

4 Teacher Appreciation Week
#smehabithunt begins - See Dojo, PTO Facebook, and Instagram for details

18 -19 Drop off of Completed Packets, Library Books and Fundraiser Items for students with last names ending in A-M

20-21 Drop off of Completed Packets, Library Books and Fundraiser Items for students with last names ending in N-Z

Reminder

Please continue to notify your child's teacher as your child completes each week's work packet. If your child is unable to access the digital learning tools and to participate in the class meetings, please let me know so I can assist you with securing a device.

THANK YOU

I continue to be overwhelmed by the partnerships that have emerged through this pandemic. While we were a strong school community before, the bonds have grown even deeper. Thanks for your continued partnership as we strive to make the most of this challenging situation.
We are #smestrong!
