

DRAGON DAYS

South Mebane Elementary
May/June 2018

HERO CENTRAL

The final weeks of school are now upon us and the count down has begun for summer vacation. The closing of this school year will serve as a celebration for the successes we have experienced this year and our efforts to support our children in being their own heroes and Leaders in SME. We extend our appreciation to the teachers, students, and parents for another wonderful year of love, laughter, and learning! Thanks for supporting us in making a positive difference in the lives of others!

With Much Appreciation,

Rebecca Royal

If you are available to assist with proctoring during testing, please contact Mrs. Yeatts at tamara_yeatts@abss.k12.nc.us or call 336-438-4000 ext. 38402.

18th ANNUAL DRAGON OPEN

The Dragon Open is scheduled for Saturday, May 19 at Quaker Creek Golf Course with an 8:00 am tee time. You can sponsor a hole or register a team to play. Please help support this final PTO fundraiser by advertising the event at your work place, church, and among your families and friends.

EOG TESTING

As you are well aware by now, End Of Grade tests for 3rd grade is scheduled for May 30th and 31st. Our 5th graders will take the Science EOG on June 1st and then 4th and 5th graders will take the Reading and Math EOGs on June 4th and 5th. We are very proud of the learning that has occurred this school year. Our teachers have been devoted to teaching to THEIR fullest potential so that your children reach their learning potential. It is now time to measure the students' progress. This is a critical time for the students being tested and their teachers. We ask you to ensure that your children get a good night's sleep on the evenings prior to testing and that they are in attendance on all testing days. The PTO will be providing breakfast for all of our 3-5 students each morning of testing. Needless to say, we will all be cheering them on in order to build their confidence. It is indeed a team effort and we appreciate your part in it. Together we will support the children and teachers in demonstrating their heroics on the EOG tests.

SUMMER TUTORING

The teachers listed below are offering private summer tutoring. Please contact them at the email address below if you are interested in having your child tutored this summer.

caitlin_campell@abss.k12.nc.us - Rising 1st and 2nd graders

nicole_buckhalt@abss.k12.nc.us - Rising 3rd and 4th graders

karen_henderly@abss.k12.nc.us - Rising 3rd through 6th graders
