

From The Dragon's Den

What an amazing virtual start to this year as "Leaders Under Construction". With your support, patience, grace, and encouragement we have made the impossible, possible! Our staff and students have embraced teaching and learning on the virtual platform and are experiencing much love, laughter, learning, and leading as a result. My soul is filled with so much joy as I walk through our classrooms and see children authentically engaged in whole group, small group, and one on one learning opportunities via zoom. While it will never replace face to face, we have made the most of these challenging times and maintained a strong connection to one another. We are #smestrong! Check out the south_mebane_elementary Instagram account or view Class Dojo for photographic evidence of how we are building a solid foundation as "leaders under construction"! Also, please continue to use Class Dojo to privately message your child's teacher and/or me so we can continue to be supportive of you on this virtual journey.

Not only are we "leaders under construction" but our building will soon be under construction as well. Our official Groundbreaking Ceremony is scheduled for September 8th. I will provide monthly progress reports and as always, pictures of the progress!

Important September Dates

- 7 No School, Labor Day
- 21 No School, Teacher Workday
- 24 Virtual FYI Curriculum Night
- 25 Progress Reports
