

Success Academy Overview

- ★ Automatic emails are sent weekly from Enriching Students
- ★ During Plan C (remote) you may be assigned extra help sessions from your teacher
- ★ During Plan C (remote) you may request extra help from your teacher
- ★ Beginning in October you will start to see Club meetings populate in Enriching Students (you may sign up if these are of interest to you)
- ★ Zoom links are located in your student schedule view within Enriching Students
- ★ **Outside of Required Tutorials (assigned by teacher), Success Academy is optional during Plan C (remote)**

You should login weekly (Monday) to see if you have assigned tutorials.

Sign in using the Google button.

If you need help in a class or you know of a club / enrichment you want to participate in then you should self-schedule.

For help with this, see this link:

<https://www.enrichingstudents.com/university/schedule-or-request-appointments/>

You have the ability to change an appointment you created up until the day of the appointment.

The system will only let you be in one place at a time.

Zoom links for sessions are located within your schedule in Enriching Students.

If you have difficulty locating your session's Zoom link you will need to email your teacher.
