

REQUEST FOR PROPOSAL

The Alamance-Burlington School System Board of Education (hereinafter called the “unit”) invites qualified independent auditors (hereinafter called “auditor”) having sufficient governmental accounting and auditing experience in performing an audit in accordance with the specifications outlined in this Request for Proposal (RFP) to submit a proposal.

There is no expressed or implied obligation for the Alamance-Burlington School System to reimburse firms for any expenses incurred in preparing proposals in response to this request.

The specific details shown herein shall be considered minimum unless otherwise shown. The specifications, terms, and conditions included with this RFP shall govern in any resulting contract(s) unless approved otherwise in writing by the Alamance-Burlington School System. The bidder consents to personal jurisdiction and venue in a state court of competent jurisdiction in Alamance County, North Carolina.

Type of Audit

The audit will encompass a financial and compliance examination of the unit’s Comprehensive Annual Financial Report (CAFR) in accordance with the laws and/or regulations of the State of North Carolina, which include requirements for the minimum scope of the audit. The financial and compliance audit will cover federal, state, and local funding sources in accordance with generally accepted auditing standards; *Government Auditing Standards*, July 2011 revisions; the Single Audit Act of 1984; the Single Audit Act Amendments of 1996; the provisions of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*, the State Single Audit Implementation Act; and all other applicable laws and regulations.

Period

The unit intends to continue the relationship with the auditor for no less than three years on the basis of annual negotiation after the completion of the first year contract. Each year after negotiation has taken place an annual contract documenting the terms of the audit will be signed. Since one governing board may not obligate future governing boards, the remaining years of the agreement are subject to annual governing board approval. The Alamance-Burlington School System reserves the right to request proposals at any time following the first year of this contract. Thus, prepare proposals for the following years, with Year one being the only obligated year:

July 1, 2018 to June 30, 2019
July 1, 2019 to June 30, 2020
July 1, 2020 to June 30, 2021

Requirements

The audit must be conducted in accordance with generally accepted auditing standards; *Government Auditing Standards*, July 2011 revisions issued by the Comptroller General of the United States; Office of Management and Budget Uniform Guidance, the State Single Audit Implementation Act of 1996, and any other applicable procedures for the audit of a government's financial statements prepared in accordance with GAAP.

The Auditor will prepare most year-end adjusting journal entries. The auditor will be ultimately responsible for the preparation, typing, proofing, printing, and copying of the Basic Financial Statement, supplementary information and compliance reports. The Alamance-Burlington School System Finance Officer will be actively involved in the MD&A, and other schedules section preparation. The auditor will submit a draft of the Financial Statement to be reviewed in detail by the Finance Officer. This draft should be submitted to the Alamance-Burlington School System in time to allow ample review and corrections. **The timing of this should insure final completion of the Financial Statements no later than the annual October 31st deadline.**

The Alamance-Burlington School System prefers interim fieldwork be completed in early April. Year-end fieldwork should begin in mid August and be completed by September 15th. **An agreed upon post-closing trial balance must exist by September 30th.** The Finance Officer will expect a listing of requested information needed for the audit at the preplanning conference, periodic conferences during the conduct of the audit, as well as an exit conference prior to the completion of fieldwork.

The audit must be completed and reports rendered four months following the fiscal year end (October 31).

A preliminary draft of the audit and required journal entries must be submitted to the Finance Officer by October 1 for proofing and reconciliation to the unit's records.

Twenty copies of each audit report, management letter, and other applicable reports must be supplied to the Finance Officer within the time frame cited above. In addition, the auditor is responsible for submitting the required two (three copies if unit is a Council of Government) to the staff of the Local Government Commission (LGC). Any other copies required will be charged on an as needed basis in addition to the quoted fee.

The financial audit opinion will cover the financial statements for the governmental activities, the business-type activities, the financial statements of the aggregate discretely presented component units, each major fund, and the remaining fund information, which collectively constitutes the basic financial statements. The combining and individual financial statements, schedules, and related information are not necessary for fair presentation, but will be presented as additional analytical data. This supplemental information, as required by GASB 34, will be

subject to the tests and other auditing procedures applied in the audit of the basic financial statements, and an opinion will be given as to whether the supplemental information is fairly stated in all material respects in relation to the basic financial statements taken as a whole. The auditor shall also express an opinion on the budgetary comparison information for the general fund, the major funds, and any annually budgeted special revenue funds. An opinion will not be given on the Management Discussion and Analysis.

The working papers shall be retained and made available upon request for no less than three years from the date of the audit report.

In the event that circumstances arise during the audit that require work to be performed in excess of the original estimates, any additional costs will be negotiated prior to commencement of the work and an amended contract will be approved by the governing board and forwarded to the staff of the LGC for approval.

Audit Contract & Payment of Audit Fees

The audit contract must be approved by the staff of the Local Government Commission. Invoices are subject to approval by the LGC staff and the appropriate Grantor Agency, if applicable, prior to processing by the Alamance-Burlington School System. If grant funds will be used to pay for the audit, the grant agreement may require the Grantor Agency's approval before the invoice may be paid. Interim or progress billings will be accepted up to 75% of the total fee prior to submission of the audited financial statements to the staff of the Local Government Commission and their approval of the audited financial statements.

Other Services

The auditor will prepare, type, and print the audited financial statements and CAFR. The auditor will submit a draft for review by the Finance Officer. The Finance Officer will return the draft with proposed revisions within 10 working days. The auditor will also assist management's efforts to obtain the Government Finance Officers Association's Certificate of Achievement for Excellence in Financial Reporting.

Description of Selection Process

Five copies of each section of the proposal should be submitted at the time and place indicated under the section entitled "Time Schedule for Awarding Contract."

Proposals will be submitted in two sections. The first section will be comprised of the audit firm's prior experience and qualifications of its personnel in performing governmental audits. Finance staff will evaluate the auditor/firm on educational and technical qualifications. The top five firms from the first section will have their second section opened and evaluated. The firm best meeting the Alamance Burlington School System's expectations for experience, audit approach, and cost requirements will be selected.

PLEASE KEEP IN MIND THAT COST, WHILE AN IMPORTANT FACTOR, WILL NOT BE A SOLE DETERMINING FACTOR. UNUSUALLY LOW BIDS THAT ARE OBVIOUSLY OUT OF LINE WITH OTHER BIDDERS OR ARE SIGNIFICANTLY LOWER THAN OUR CURRENT FEES WILL RAISE CONCERN. THE LOWEST BID WILL NOT AUTOMATICALLY BE AWARDED PREFERENTIAL CONSIDERATION.

The Alamance-Burlington School System requests that no Board of Educational members be contacted during this process. The Finance Officer may be contacted only to clarify questions concerning the RFP.

The Board of Education reserves the right to reject any or all bids, waive technicalities, and to be the sole judge of suitability of the services for its intended use and further specifically reserve the right to make the award in the best interest of the Board of Education.

Failure to respond to any requirements outlined in the RFP, or failure to enclose copies of the required documents, may disqualify the bid.
