How to View Grades History

1. On the start page, click **Grades History** from the navigation menu.
2. Click a grade in the % column. The Class Score Detail page appears.

A caret (^) indicates score is exempt from final grade. An asterisk (*) indicates an assignment is not included in final grade. The number one (1) indicates this final grade may include assignments that are not yet published by the teacher. It may also be a result of special weighting used by the teacher. Click the special weighting link for more information.
