

Navigation Toolbar

The navigation toolbar appears at the top of the start page, and is common to every page in the application. The navigation toolbar includes the following information:

Field	Description
[Student Tabs]	<p>The first names of the students associated to your parent account appear in alphabetical order. Click the name of the student for whom you want to view information. The page refreshes and display information for the selected student. For more information, see <i>Account Preferences</i>.</p> <p>If you click the name of a student and the message “Student information is not available at this time.” appears, contact your school’s PowerSchool administrator.</p> <p>Note: These tabs only appear if parent single sign-on security is enabled. For more information, see <i>Parent Access Management</i>.</p>
[Applications Icon]	<ol style="list-style-type: none"> 4. Click the icon. 5. The Applications drawer slides into view. Click the Application link you want to launch. The application launches in a separate window (or tab depending on your browser settings). <p>Note: The window that appears is not served by PowerSchool. It is rendered from a separate server. If the window does not launch, contact your school's PowerSchool administrator</p> <p>Note: If you are not actively working in the PowerSchool Parent Portal, your session may timeout. If so, you need to sign in again.</p> <ol style="list-style-type: none"> 3. When you are finished working in the application, be sure to sign out of the application. 4. When you are finished working in the PowerSchool Parent Portal, be sure to sign out of the PowerSchool Parent Portal. <p>Note: This icon only appears if a plugin has been installed and enabled and you have been granted access to the plugin.</p>
[MyData Icon]	<p>Click to download your students’ data, including grades and attendance, in an XML-formatted file that you can store on your computer and use it in other applications, providing a comprehensive view of your students’ learning profile throughout the students’ educational career.</p> <p>The MyData button is a joint project between the Office of Educational Technology and the White House Office of Science and Technology Policy that, among other goals, allows access to student data in order to create a personal learning profile that is easily portable.</p> <p>Note: This button may not appear if the school has not enabled it.</p>

[Printer Icon]

Click to print a printer-friendly version of the page you are viewing. Additionally, the page includes the name of the selected student and the school and school district for that student.
