

School Information

The School Information page displays the physical address and contact information for the school. If the PowerSchool administrator has uploaded a school map, the map displays on this page as well.

How to View School Information

On the start page, click **School Information** from the navigation menu. The School Information page displays the following information:

Field	Description
Name	The school's name.
Address	The school's street address, city, state, and zip code.
Phone	The school's phone number including area code.
Fax	The school's fax number including area code
Map	The school map.
