## ONLINE SCHOOL PAYMENTS

Welcome to the Alamance-Burlington School System Online School Payments (OSP) portal. This service is provided to parents to facilitate payment for school fees for a variety of products and services. This solution is currently deployed to a limited number of Schools (Western Alamance High School) for evaluation and input by parents and school staff. We encourage parents to explore the website and provide both positive and negative feedback to their local school administrators on how best to deploy the solution County wide. For further information or to request that your school participate in this program, please contact your local school administrator.
