Who We Are

Turrentine Middle School is a diverse school that serves approximately 1050 students. Turrentine opened its doors in 1960 as Turrentine Junior High School. We converted to a middle school in 1971 and continue to serve grades 6-8. Our focus is on academic excellence. Interscholastic sports, fine arts, and many clubs are offered as a part of our effort to educate the whole child. Turrentine emphasizes family and community involvement and encourages all stakeholders to become partners with us in ensuring all students are successful!
