2020 – 2021 Student Continuation Request

Full Name of Student(s): _____

Current School (s) of Attendance: _____

Grades(s): _____

New Address: _____

School(s) Assigned to New Address: _____

Parent/Legal Guardian Signature: _____

Date of Continuation Request: _____

Phone Number: _____

Email Address: _____

Per ABSS policy, parents/legal guardians may elect for a student to remain in the current school of enrollment for the remainder of the school year in the event of a change in domicile outside the school zone. A request for continuation must be made within 15 days of the change in domicile, and supporting documents (rental agreement, lease, mortgage, etc...) must accompany the request verifying the change in domicile. Parents/legal guardians will be responsible for providing transportation to and from school. Students that request a continuation the remainder of the current school year must be in good standing regarding attendance and behavior. (4010.1, 4010.4)

By signing below, the parent/legal guardian understands that, if approved the continuation request will allow the student to complete the 2020-2021 school year at his/her current school of attendance. The student will be expected to enroll in the school assigned to the new address for the 2021-2022 school year.

The next transfer request period will be April 1, 2021 through May 1, 2021. For the complete Board of Education policies on student transfer, please visit the school system's website of www.abss.k12.nc.us under the listing for Board Policies.
