

# Eastern Alamance

## Fast Facts

So what's so special about Eastern Alamance...

EHS is a comprehensive four year high school with a wide range of course offerings available to all students. Advanced Placement offerings include English, Chemistry, Biology, Environmental Science, Music Theory, Calculus, Statistics/Probability, and United States History. Extracurricular club and athletic activities, academic competition, cultural arts programs, technology offerings, exceptional children's programs, and service projects provide additional learning experiences.

More importantly, EHS is community. Located in Mebane, NC, EHS is a school that brings the community together in support of education, athletics, and every student enrolled. Come visit us on Friday nights every fall to witness NC High School Football at its best. Come to one of the many fine art showcases during the year, including an always amazing winter production. Catch the marching band and many of the student groups participating in parades through downtown.

Regardless of when you visit, you will surely be amazed at how it feels like family and home. Everyone is here for a single purpose. We work to grow in knowledge, so that our students, children, family, and friends can all become better individuals because of our time together.
