

REGISTRATION FAIR 2019

MY CHOICES — MY SUCCESS

Parents and students are invited to visit with counselors, teachers and administrators at their assigned ABSS High School to learn about the options each student has when registering for classes for the 2019-2020 school year. At each school's registration fair, parents and students can ask questions that will help students be challenged in their course-work, yet also follow a course plan that will help them be most successful in high school. Representatives from ACC and ABSS specialized programs will also be available at each fair to discuss options and opportunities. Make sure your child is prepared for the registration season.

February 18: Graham High School

February 18: Southern High School

February 19: Western High School

February 19: Williams High School

February 21: Cummings High School

February 21: Eastern High School

All fairs are from
4pm until 6:30pm
