

November Dragon Days

South Mebane Elementary

Hero Central

During the first 9 weeks we focused on developing "Leaders in SME" by teaching the principles of Habit 1: Be Proactive. Our students have learned that they are responsible for their actions, attitudes, and moods, as well as, doing the right thing without being asked. As we begin the second 9 weeks, we are now focusing on the principles of Habit 2: Begin With the End in Mind. This habit teaches us to plan ahead, set goals, and to look for ways to be a good citizen. The timing is perfect to make a plan and set goals for the next 9 weeks. During your recent parent/teacher conferences you were informed of where your child is with his/her academic and behavioral skills. Your child's teacher also discussed with you where your child should be at the conclusion of this school year. Now, discuss with your child his/her goals and the plan to achieve the goals as we all "begin with the same end in mind", which is our students' success as learners and leaders!

Habit 2: Begin With the End in Mind

- ✓ I plan ahead and set goals.
- ✓ I do things that have meaning and make a difference.
- ✓ I am an important part of my classroom and contribute to my schools mission and vision.
- ✓ I look for ways to be a good citizen.

Fall Festival

Special thanks to all of our families who made donations to our Fall Festival and to those who attended. It was a huge success thanks to each of you. Details of our profits and winners of our raffle prizes will be noted in the upcoming PTO Newsletter. The profits will be utilized to purchase additional Chrome books for our students. Additionally, SME families filled 19 containers with cans of food to feed local Mebane families! Thanks for being true heroes by making a positive difference in the lives of others!
