

# ABSS REDISTRICTING UPDATE

FEBRUARY, 2017

Alamance-Burlington Board of Education presentation  
2.13.2017

# TIMELINE RECAP

## Phase I: 2014-2015

- Developed Joint Facilities Task Force to review facility needs
- Developed plan to dissolve first set of satellite attendance zones mandated by federal government in 1970s for former Burlington City Schools
- Developed plan to reduce overcrowding at Newlin Elementary
- Began discussions on high school overcrowding and need for new high school

## Phase II: 2015-2016

- Implemented attendance zone changes to dissolve first set of satellite zones
- Developed plan to dissolve final set of satellite attendance zones mandated by federal government in 1970s for former Burlington City Schools
- Implemented attendance zone changes to reduce overcrowding at Newlin Elementary
- Discussed capacity issues for Mebane area schools related to announced residential growth
- Held discussions and public forums to gather feedback regarding:
  - a. proposals to address high school overcrowding,
  - b. updating high school attendance boundaries to reflect one school district,
  - c. the need for a new high school in the Eastern/Southern area of county to accommodate current and future student enrollment, and
  - d. plans to convert Graham and Cummings into choice specialty schools to offer expanded opportunities district-wide

# TIMELINE RECAP (CONT.)

## Phase III: Fall of 2016-2017

- Continued discussions and public forums to gather feedback regarding:
  - a. proposals to address high school overcrowding
  - b. updating high school attendance boundaries to reflect one school district
  - c. the need for a new high school in the Eastern/Southern area of county to accommodate current and future student enrollment
  - d. plans to convert Graham and Cummings into choice specialty schools to offer expanded opportunities district-wide
  - e. Opened first phase of Municipal Services Academy at Graham High with Fire Safety program
- Implemented plan to expand capacity at South Mebane to accommodate enrollment increases due to continued residential growth

# TIMELINE RECAP (CONT.)

## Phase IV: Spring of 2017

- Presented high school plan recommendation to Board of Education that includes 5 comprehensive high schools (Eastern, Southern, Western, Williams and a new high school to be built between Eastern and Southern with defined attendance boundaries) and conversion of Graham and Cummings high school campuses to provide skilled trades programs at Graham and a School of the Arts at Cummings to be modeled after the Durham School of the Arts—these 2 schools would not have defined attendance boundaries. The plan includes additions and upgrades to core facilities at the existing high school campuses to accommodate student enrollment and to meet academic program needs
- ***Plan approved January 2017***
- Presented high school plan to the Board of Education to proceed with attendance boundary changes (not dependent on construction of a new high school) for the 2017-2018 school year and grandfather students one time in grade span if parents provide transportation
- ***Proposal pending approval February 2017***
