Hands on Science Summer Camp for Middle School Students

June 19-23, 2017 at CTEC

Sponsored by ABSS, The Science House, NC State, and Students Discover

Campers will take an active role in learning about citizen science.

Hands on activities will include observing the natural world, collecting data, sharing information, and visiting local and state science labs. Activities, lab materials, and transportation will be provided.

Activities will be held at the Career and Technical Center Monday –Thursday. Friday will be a field trip to the Natural Science Museum in Raleigh.

This program is open to all current 6th and 7th graders in ABSS. Apply by May 3, 2017. <https://goo.gl/forms/4c5ZcPI3L4xfHdzX2>
