Dear Parents/Guardians

The Alamance-Burlington School System bus drivers will provide transportation to and from school. Transportation by bus will be provided for students that reside in our school zone that are eligible for transportation. They will also provide bus transportation for our student's field trips.

It's essential that all our students understand the importance and purpose of our bus safety rules. Soon all our students will receive bus safety information within their class and/or in an assembly. Please note all bus drivers will complete a bus safety referral to our office if a student(s) break any rule(s). If our office receives a bus referral form on any student we will notify the parent in writing. If a referral results in a bus suspension our office will notify parents by telephone and/or in writing. Our goal is to ensure safety for all our children.

We need everyone's cooperation and support to protect our children while they are riding on our buses. Please assist us by discussing the following bus rules with your student(s)

- Remain in your seat while the bus is in motion.
- No pushing, tripping, shoving,
- No bullying.
- No unacceptable language and/or gestures.
- Obey the bus driver at all times.
- No yelling (use inside voices).
- No throwing objects (inside/outside the bus).
- No damaging bus and others property.
- No fighting, hitting, kicking, spitting,
- No bothering others when getting on and off the bus.

(Sign and return)

_____ We have read and discussed all rules about bus safety. We pledge to follow/support all bus safety rules.
