What's On Your Mind?

Mini Mum "Did you see what Valorie Vertex was wearing today!? Her jeans were totally factored, and someone should tell her that that doesn't always work!"

Alexis Symmetry "I know! I hate to be so discriminating but you can so tell that she doesn't take the time to complete the hair (square) in the mornings. I mean, she is such a positive, and shouldn't be with Max any way's. They will never work out!"
