

**Alamance-Burlington School System Strategic Planning Initiative
Board Member Input Regarding Goal Statements**

Goal	<i>I support the goal statement as written (√).</i>	<i>I offer the following suggestion(s) to strengthen the goal.</i>
Goal #1: Exemplary Classroom Teaching and Instructional Leadership	All seven BOE members indicated they supported the goal statements as written.	<ul style="list-style-type: none"> ▪ Include consistency in grading practices in classrooms and schools in this goal. Include teachers on the development team. (Rose)
Goal #2: Master Plan for Specialized Programs	All seven BOE members indicated they supported the goal statements as written.	<ul style="list-style-type: none"> ▪ Unique, specialized programs which appeal to all students and which are strategically located throughout the system – resulting in diversity and balanced ADM. (Moffitt) ▪ Would love to see programs like IB, other immersion languages (Mandarin Chinese, etc.), early college, STEM, arts, etc. included. Invite and include community partners like Elon and ACC. (Rose)
Goal #3: Written Five-Year Facilities Plan	All seven BOE members indicated they supported the goal statements as written.	<ul style="list-style-type: none"> ▪ Five-year facilities plan which results in clean, safe, state of the art facilities across the system. (Moffitt) ▪ Would love to see county commissioners/county manager/community partners included on this goal for financial support. (Rose)
Goal #4: World-Class Teacher Working Conditions	All seven BOE members indicated they supported the goal statements as written.	<ul style="list-style-type: none"> ▪ World-class teacher working conditions – improved staff. (This goal also ties in with #3.) (Moffitt) ▪ Use Teacher Working Conditions Survey as input for this goal. Include teachers on the develop team. (Rose)
Goal #5: Compensation for Building-Level Employees	All seven BOE members indicated they supported the goal statements as written.	<ul style="list-style-type: none"> ▪ Compensation for building-level employees – improved funding. (Moffitt)
Goal #6: Classroom and School Supports	All seven BOE members indicated they supported the goal statements as written.	<ul style="list-style-type: none"> ▪ Classroom and school supports – community partnerships: intellectual (tutoring, mentoring, extracurricular opportunities, etc.), financial, advocacy. (Moffitt) ▪ Equity among all schools is important, regardless of unequal funding sources: PTO, Title 1, etc. (Rose)
