

**Directions:** Use the attached alien cards to go through each step, making careful observations about the physical traits that you notice. You may wish to cut apart the cards to make them easier to sort.

1. Please list all traits (physical features) you notice about the aliens.

**Traits:**

*Example – nose size*

2. Choose 2-5 traits and sort all the aliens into groups based on the trait you've chosen.

**Trait:**

*Example – nose size*

**Groups:**

*Example – small nose, large nose*

3. **A generation is all the people born and living about the same time; your same age group; your peers.** Sort the aliens into 3 generations – please list the name of the alien next to the generation you believe it fits best.

(grandparents) **1<sup>st</sup> Generation:**

(parents) **2<sup>nd</sup> Generation:**

(kids) **3<sup>rd</sup> Generation:**

4. Omah and Opah are the grandparents. Rank order Harold, Henrietta, Maude, Millard, and Wilbur from MOST LIKELY to be the offspring of Omah and Opah to LEAST LIKELY to be their offspring. You MUST explain your reason for the placement of EACH 2<sup>nd</sup> generation alien.

	<u>Alien Name</u>	<u>Reason for Placement</u>
