

# Word Splash: Force & Motion

# 2

Directions:

Circle the words that you KNOW have to do with force and motion.

Underline the words that you THINK have to do with force and motion, but you can't explain.

Cross out the words that you know ~~DO NOT~~ have to do with force and motion.

patella

**METER**

**instantaneous speed**

friction

reference point

*velocity*

**Newton**

**ACCELERATION**

**speed**

average speed

**SLOPE**

**inertia**

**nitrogen**

**WIND**

gravity

momentum

air resistance

**Mendel**

**MOTION**

**cardiovascular**

chromosome

**pollution**

*troposphere*

\*\*Choose 3 words that you circled. For each word, write a sentence on the back of this paper explaining how each word is related to force and motion. You should have THREE sentences.
