III. Closure/Launch Activity:

“Comfort. Risk. Both are enjoyable.

One we strive to create. One we try to minimize.

One can make us lazy. One can make us stronger.

When did you last risk failure? When did you last leave your comfort zone?”

-212, p. 80

Thank you for what you have done this year to grow stronger as a professional. I hope that you know it's ok to take risks and to “fail” forward, because I value that learning process as a leader! :-)
