

## M-SILT Meeting, February 1, 2021

### I. Good news/attendance

### II. General Business/Questions/Concerns:

- Feb. 8 M-SILT meeting moved to Feb. 10, IF the Board decides to bring students back to face-to-face instruction on March 1. If we remain in Plan C until later than March 1, we will not have the Feb. 10 meeting, as we will meet later in the month.

**-Kinder Orientation this Spring:** It's hard to believe it is time for us to start thinking about enrolling students for the 2021-22 school year!! Kindergarten enrollment opens March 1 in PowerSchool. Kindergarten Orientations will be later and look different. We will advertise as we have in the past but we will not advertise orientation dates in this information. ABSS does not think we will be in the place to welcome people in our buildings this spring. We will state that schools will be contacting families who **have registered in Powerschool first.**

**-Remote Learning Days, Feb. 12 and May 7... no longer. We won't be having these. From district:** "Remote Learning Days that were put on the calendar at the beginning of the year will no longer exist. They have become regular instructional days. Originally, they were in February and May. Jenny's department is producing a new calendar that will be shared soon. □ Utilize this [webpage](#) to plan for 2<sup>nd</sup> semester.

-Report cards were mailed Jan. 26 by the district.

-Feb. 19... Progress Reports should be made available

### III. Potential Retentions... Covid impact, attendance, parent conferences

### IV. Zoom Etiquette Brochure (Carmen, Heather)
