

Career & Technical Education (CTE)

Volume 7 Issue 8

February is CTE Month!!!

Career and Technical Education (CTE) is the practice of teaching specific career skills to students in middle and high school!

Here are some ways ABSS and EHS have been celebrating:

Highlighting **past CTE graduates** on social media

Celebrating **district CTE teachers** with weekly drawings

Catching up/Completing **CTE concentrator surveys** with past graduates

Weird Job Wednesdays (highlighting "odd" jobs within a program area)

Creating businesses using "odd" items (bullets, electronic devices)

Students are **updating their portfolio websites**

Discussing the **history of computers**

Sharing and having **discussions about specific jobs** within CTE clusters

Postings of **celebratory CTE information** on social media

Career & Technical Student Organization (CTSO) **service project: DECA**

CDC & CTE Teachers presented in the **Virtual Registration Zoom Event**

The *remote world* is not stopping **DECA**

**EASTERN ALAMANCE

**Got Career
Interests?**

If you would like to meet with Mrs. Johnson to discuss career development topics (job search, resume writing, job application, interest inventory, career exploration, etc), all you have to do is complete this [request](#) form or send her an email.
