

HAVING TROUBLE JOINING A ZOOM MEETING ?

If you get redirected to the chrome web store when clicking on a link for a zoom meeting
Follow these simple steps:

-DO NOT select install from Chrome Web Store

-Instead click on [Join from your Browser](#)

zoom

Support English

Add Zoom to Chrome

Clicking the button below will open a new tab page to guide you to Chrome Web Store.
Once the new tab page is opened, click "Add to Chrome" button.

 Install from Chrome Web Store

During installation process, do not close this page. You will join the meeting automatically.

If you cannot download or run the application, [join from your browser](#).

 Click here

On the next screen

-Type Your First and last name

-Check " i'm not a robot"

-Complete authentication

-And Finally sign in

Join a Meeting

Your Name

Mr Example

Type your first and Last name

✓ I'm not a robot

Join

Zoom is protected by reCAPTCHA and the [Privacy Policy](#) and [Terms of Service](#) apply.

The image shows a screenshot of the Zoom 'Join a Meeting' form. At the top, the title 'Join a Meeting' is centered. Below it, there is a text input field labeled 'Your Name' containing the text 'Mr Example'. A red arrow points from the right towards this field with the text 'Type your first and Last name'. Below the name field is a reCAPTCHA box. On the left side of this box, a blue arrow points towards a green checkmark and the text 'I'm not a robot'. On the right side of the box is the reCAPTCHA logo and the text 'reCAPTCHA Privacy - Terms'. Below the reCAPTCHA box is a large blue button with the text 'Join'. A yellow arrow points upwards towards this button. At the bottom of the form, there is a line of small text: 'Zoom is protected by reCAPTCHA and the [Privacy Policy](#) and [Terms of Service](#) apply.'

At this Point if the Meeting is already started you will need the host to allow you in

Please wait, the meeting host will let you in soon.
