Dear Parent or Guardian:

Haw River Elementary has been authorized by the North Carolina Department of Instruction and Alamance-Burlington Schools to operate a Title I Schoolwide Program. As a result, schools receive resources from the state and federal governments that enable us to provide resources to supplement the educational program in order to help all students meet state standards.

A comprehensive needs assessment and an analysis of the student achievement data were conducted to develop a *School Improvement Plan*. This was completed through the collaborative efforts of staff and parents. The schoolwide program includes strategies to raise the academic achievement of all students.

The following services are available from the school's Title I site-based resources to assist your child:

- paraprofessionals
- teacher professional development
- additional support staff
- technology
- parent and family engagement activities

Please attend the Annual Title I Meeting to be held on Thursday, September 30 to learn more about the school's programs.

If you are unable to attend the Annual Title I meeting or if there are questions or concerns regarding our school's academic program please contact the school office at 336-578-0177. We will also be posting a link to a zoom recording of the meeting on our school's website, as well as sharing the link via Class Dojo.

Sincerely,

Curry E. Bryan
Principal
