## Mrs Haripershad

### All about Me

My name is Jamie Haripershad also known as Mrs H. I am a Global teacher from the beautiful country of South Africa. I have 10 years of experience in which I have taught many different grades. I love learning about new cultures. I am free spirited and I think Rainbows & Unicorns are the prettiest. I live by the principle of peace and harmony. I love teaching, and I am so excited for the new school year!
